

## Grief and bereavement learning modules

*For General Practice*

**Australian College for Rural and Remote Medicine (ACCRM)** is offering grief and bereavement learning modules. The online course takes participants through the process of grieving and bereavement, exploring theories of grief and the effects of grief on a person's life. The course incorporates communication strategies for responding to those who are grieving and example conversations to support the bereaved.

This course has been designed for those who may encounter grief in their roles. It is suitable for clinicians, allied health workers, nursing staff, medical administrators, and others who may come across grieving people in their day-to-day work.

### Cost:

- Free for members.
- \$95 for non-members

If you are not a member of ACCRM, GPs and other health professionals who work in COORDINARE's catchment are eligible to access the course for **free via the use of a discount code.**

Please contact [info@coordinare.org.au](mailto:info@coordinare.org.au) for more information.

This activity has been accredited for 2 CPD hours - educational activity. Learn more [here](#).
